

CITATION BY PUBLICATION

THE STATE OF TEXAS

To the Sheriff or any Constable of Scurry County—GREETING:

You are hereby commanded to summon John Veal by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if there be no newspaper published in said 39th Judicial District, then in a newspaper published in the nearest district to said 39th Judicial District; to appear at the next regular term of the District Court of Scurry County, to be held at the Court house thereof, in Snyder Texas on the 3rd Monday in March, A. D. 1912, the same being the 15th day of March, A. D., 1912, then and there to answer a petition filed in said court on the 11th day of August, A. D. 1911, in a suit numbered on the docket of said court 767, wherein Murphy Veal is plaintiff and John Veal is defendant.

Said petition alleging in substance that plaintiff is an actual bona fide inhabitant of the State of Texas and has resided in Scurry county for more than six months next preceding the filing of this suit, that the defendant's residence is unknown (and affidavit of that fact has been duly made) That the plaintiff who was Murphy Veal, was lawfully married to the defendant on or about the fourteenth day of February A. D. 1906 and continued to live with him as his wife until about the 29th day of August 1907 and subsequently on the 28th day of December, 1909, by reason of a course of defendant's unkind, harsh, cruel and tyrannical treatment of her and defendant's unkindness of his marriage vows and defendant's cursing and abuse to plaintiff, and his refusal to maintain and support plaintiff and their child and refusal to permit plaintiff to attend church or accompany her to same and by reason of the defendant taking and appropriating the earnings of plaintiff to his own use and spending same in gambling transactions, and by reason of his neglect to her and his attentions to another, plaintiff says that it renders their living together as man and wife, wholly insupportable and that by reason thereof she abandoned the defendant and has continued to reside away from him and that she prays for judgment for a decree of divorce and for custody of their five year old son, Cleve Jackson Veal and for general and special relief.

Herein fail not, but have you before said court at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of the said Court, at office in Snyder, Texas, this 2nd day of February, A. D., 1912.

The Secret is Out.

Hortense Cavalla was known as the most beautiful woman in Europe.

It was common knowledge that a prince of the royal blood heir to the throne of one of the oldest European countries was so enamored with her charms that he had repeatedly offered to marry her and relinquish his kingdom.

She was the envy and despair of all the ladies of the Court as the men had eyes for no one but her in her presence. And while her figure and features were beautiful it was the surpassing loveliness of her complexion which was her greatest charm.

Her skin was white as alabaster smooth and velvety of texture and her colour rich and warm.

No Greasy Face Cream for Her.

What Did She Use?

That was the question so many women were dying to know. Cavalla would not tell others and they could not tell the secret, because they did not know.

Just how a certain Chemist discovered her secret would make an interesting story alone, one we have not the space to tell; suffice it to say that money could not buy her famous recipe and one of the conditions was that it should never be sold in Europe where her envious

rivals could obtain it.

She Used Face Retenoid.

The Siron Mfg. Co. has been organized to manufacture her famous recipe and they have termed it after the properties it possesses, "ALABASTROL."

The story told above is true in every particular with the single exception of the famous European Beauty's name as she does not want newspaper notoriety.

Alabastrol is something entirely new; not a face powder, neither a lotion, nor a cream.

Yet possesses the properties of all to a more intense degree accomplishing far better results in a shorter space of time.

Why use face creams if you only offset their beneficial properties a moment later through the application of skin drying face powders of often doubtful origin? Powders blow off, soil your clothes and give your face a chafed appearance at once, indicating their use.

'Tis not so with Alabastrol, it is rubbed into the skin, much as you would a face cream (only after its use you won't need any creams) and in a few seconds the beneficial and essential oils are absorbed by the skin and presto—

Now Note the Skin

Not oily or greasy appearing, but a dull velvety looking smooth surface will be reflected to you from the mirror—a truly alabaster like effect—and what is more it will remain that way for hours and no one will be able to detect its use.

We do not claim that all can possess the beauty of Cavalla but we do claim that any one can obtain a beautiful complexion by using Alabastrol.

Now remember that our claims are not the origination of a fertile mind as the Siron Mfg. Co. is incorporated under the laws of the State of Colorado and that Alabastrol is guaranteed under the U. S. Pure Food and Drug Act to contain nothing but the purest ingredient and is manufactured under modern and hygienic methods.

Alabastrol is healing and antiseptic in effect and though it has been on the market but a short time everyone who has used it says it is "The Most Perfect Complexion Beautifier" and mail orders from all over the country are pouring in.

We send "Alabastrol" in plain wrapper to any address in the U. S. on receipt of 50 cents Silver.

Citizens Meeting Called for Tuesday
Afternoon to be Held at the
Court House

Chairman A. L. Elkins of the Odd Fellows Home Committee has called a meeting of the citizens of Snyder to be held in the Court House on Tuesday afternoon from four to five o'clock to discuss the Home proposition.

It is hoped that there will be a good turn out of the people. A special committee was appointed last night to correspond with every Odd Fellow's lodge in the State.

Hermleigh telephoned to the lodge here Friday night that that town was with us.

Mr. C. L. Ezell cashier of the First State Bank and Trust Company has been laid up this week with a case of the mumps, but his friends are glad to learn that he is about alright again.

Oh, How I Itched!

What long nerve-racking days of constant itching—itch—itch—itch, constant itch, until it seemed that I must tear off my very skin—then—

Instant relief—my skin cooled, soothed and healed!

The very first drops of D.D.D. Prescription for Eczema stopped that awful itch instantly; yes, the very moment D.D.D. touched the burning skin the torture ceased. A 25c bottle proves it.

D.D.D. has been known for years as the only absolutely reliable eczema remedy, for it washes away the disease germs and leaves the skin as clear and healthy as that of a child.

All other drugstore have D.D.D. Prescription—go to them if you can't come to us—but don't accept some big profit substitute.

But if you come to our store, we are so certain of what D.D.D. will do for you that we offer you a full size bottle on this guarantee:—If you do not find that it takes away the itch AT ONCE, it costs you not a cent.

SANTA FE FARM SPECIAL

Large Crowd of Snyder People Hear
Practical Talks on Diversi-
fied Farming

The Santa Fe Demonstration train arrived here at 11 o'clock today as per announcement and four expert speakers entertained the people for two hours.

It was gratifying to note so large a gathering of our people. There were at least 500 men, women and children there and all manifested a lively interest in the subjects discussed.

The people were seated in the coaches and four speeches were being made at once by as many speakers and then they had speaking on the platform.

The gentlemen were pleased to see so much interest.

They said that the crowd was five times as great as any they have addressed at other towns on their tour.

The speakers discussed climate, soil, diversification, cotton, kaffir, maize, orchards hogs, cattle, poultry dairying and all kindred subjects in such practical language as to cause people to think.

They have great faith in this country and the Santa Fe people are making extra effort to aid in the development.

The train left here at 1 p. m. for Hermleigh.

Repels Attack of Death

"Five years ago two doctors told me that I had only two years to live." This startling statement was made by Stillman Green, Malachite, Col. "They told me I would die with consumption." It was up to me then to use the best lung medicine and I began to use Dr. King's New Discovery. It was well I did for today I am working and believe I owe my life to this great throat and lung cure that has cheated the grave of another victim." It is folly to suffer with coughs, colds or other throat and lung troubles now. Take the cure that's safest. Price 50c and \$1.00 Trial bottle free at all drug-gists.

Miss Ethel Burch left yesterday for her home in Wylie, Texas in answer to a message that her father is very ill.

It is now up to the people of Snyder to decide upon six men for the city council. Two are to be elected in each of the three wards.

Born in Snyder Feb. 23 to Mr. and Mrs. Ed Holden, a boy.

Sparkling Eyes.

A Story

Many otherwise beautiful women have been neglected by nature with a lack of glossy lustrous dark, eye-brows; many blonds of true Norse-mantype with beautiful eyes cannot show them off to an advantage through lack of dark, heavy lustrous eyebrows.

To meet a universal and popular demand among the fair sex we have after much experimenting produced a compound termed "DABRO" consisting of harmless Organic Substances, Essential Oils, Balsams, etc. yielding by our process a stiff emulsion which will stimulate growth of the eyebrows and darken them to the desired shade.

Harmful Eyebrow Pencils should be discarded as they only tend to envelope your hair with a film of greasy matter, preventing access of fresh air and thus to your detriment serve the opposite purpose for which you have intended them—namely, beautifying yourself.

A more modern absolutely harmless, hygienic and effective medium is

Darbo

It will not only stimulate growth of your eyebrows and darken them if too light, but will produce a luster and glossiness not duplicated by any other means. We guarantee that Darbo will do what we claim for it if used as directed or we will cheerfully refund your money.

Darbo will be sent in plain wrapper to any address in the U. S. upon receipt of 50 cents in silver. Guaranteed under U. S. Pure Food and Drug Act.

PROSPECTING FOR OIL

New York Syndicate at Sweetwater
Buying Up Leases for
Oil and Gas

From a reliable source it is ascertained that a party by the name of E. C. McNeal is now in Sweetwater getting leases of lands around that town for oil and gas purposes.

The same party representing the New York Oil Syndicate has leased two hundred thousand acres in Tom Green, Sterling and Coke counties and they have had experts all out in that section looking up the desirable leases. They expect to begin active operations soon it is stated by our informant.

This informant says that there is just as good surface indications around Abilene for Oil and gas as any place in the country and he would not be a bit surprised if some time an oil or gas well might be brought in almost in the heart of the city of Abilene.—Abilene Reporter.

It is said that Detective Burns has been engaged in Fort Worth to unravel the mysteries surrounding the burning of the Baptist church and the home of the pastor the alleged murderous assault made on Rev. J. F. Norris and the several anonymous letters said to have been written to Norris and other with serious threats.

Just as long as some of the people of a community pull back when a public enterprise is to be gone after, just that long will the progress of a community be hampered.
